

Outdoor Solid Fuel Appliance/Woodstove/Fireplace Application Checklist

Building permit applications **must include the items below in bold** to be accepted by Building Services.

Applications will be refused if items are missing, not readable, or are incomplete.

Building Permit Application completed in full and including:

- **Roles and Responsibilities Form**

Documentation for the solid fuel-burning appliance, including the installation requirements like clearances to combustible materials, floor protection, etc.

Stove pipe and/or chimney documentation

For Outdoor Solid Fuel Appliances only - a site plan submitted including:

- **Setbacks of the appliance from all property lines, from existing structures and proposed structures**
- **Setback from high watermark/all water bodies, if any**
- **Setback from the sewage system and septic tank**
- **Setback from overhead power lines**
- **The dimensions and area of the lot and a north arrow**
- **The location, dimension, and area of the construction in relation to the building lot**
- **The street name and address with driveway location**
- **Any right-of-way, easements, ditches**

Agent authorization form (if applicant is not the registered owner)

Additional items related to the property **may** also be requested as part of your building permit application package. These items may include, but are not limited to, the deed or recent tax bill (proof of property ownership), the most recent land survey, etc.

The Ontario Building Code requires a building permit for the installation of solid fuel-burning appliances. These appliances include, but are not limited to, masonry fireplaces, freestanding wood or pellet stoves, and fireplace inserts. A building permit is required for any alteration to an existing installation or a replacement of part of/all of a system.

Please note that all applications for Outdoor Solid Fuel Appliances are reviewed by the Planning Department for compliance with By-law No. 07-08. Further information may be required from the applicant to satisfy compliance with the Ontario Building Code or other applicable law. Total fees will be determined during the Building Inspectors review.
